All aboard!! It's time again to plan the annual **St. Mary Auction**. Fun awaits as we transform the gym into destinations abroad. Come celebrate this event with our parish and school community along with the future leaders - the students of St Mary School. Our goal is to have everyone take part in this annual fun event!

The "Orient Express" Dinner, Dance and Auction will depart Saint Mary Station on Saturday, November 14, 2009.

To make this event successful, we would greatly appreciate your support. We do have underwriting opportunities too. Please consider sponsoring a table to help us with underwriting a portion of the event.

Your contributions are vital to the students of St. Mary School. Our fundraising keeps our costs down thereby making our quality education affordable for many families, and providing necessary financial aid to children of all income levels.

Thank you in advance for opening your hearts to our future leaders. The generosity, support and devotion from our parents, teachers, and staff continue to strengthen our community at St. Mary School.

We hope you will join us on a magnificent journey aboard the Orient Express. Bon Voyage!!

Sincerely,

Karen Harrigan, Auction Chair
