

KIDS' CLUB INFORMATION

March 2011

KIDS' CLUB is a before-and- after school program that has served the St. Mary School community for the past twelve years by providing quality care for students. Our program is staffed with three adults. We offer homework assistance, outdoor play, and arts and crafts. We also offer exciting enrichment classes such as Art Room art classes to those families who wish to participate for a fee. Nutritious snacks are served daily. We stress respect for each other and our goal is to provide a loving, disciplined atmosphere for your children. We WELCOME all new families to our after-school program and encourage you to visit us for a first-hand look!
